

Automatic Packing Machine (PE Bag)

Advantages

- Precise servo and sealing system
- Stable vacuum pump
- Optical fiber inspection to ensure the quality
- Fiber counting function with alarm
- Equipped with automatic feeding centrifugal bucket and material lacking alarm

Key Components and Brands

Servo System	Pneumatic Component	Sealing System
Panasonic	SMC	Keyence
PLC	Touch Panel	Optical Fiber System
Keyence	Kinco	Keyence

Technical Specifications

Production Efficiency	Operator	Rated Volt	Power	Rated Air Pressure	Equipment Size	weight
≥9000 pcs/h	1 person	AC380V/50hz	8KW	≥0.6MPa	7.5m*2.5m	2000kg
