

Blood Collection Needle Assembly Machine

Pen Type

Advantages

- Precise servo system
- Multiple pressing to improve product quality
- Rapid and balanced dispensing process
- Intelligent touch panel, easy to operate
- Online CCD checking to ensure the quality
- Fiber counting function with alarm
- Fiber inspection of needle absent, automatic positioning for upper shield

Key Components and Brands

Servo System	Pneumatic Component	Vision System
Panasonic	SMC	Keyence
PLC	Touch Panel	Optical Fiber System
Omron	Kinco	Keyence

Technical Specifications

Production Efficiency	Operator	Rated Volt	Power	Rated Air Pressure	Equipment Size	weight
≥12000-15000 pcs/h	5-6 persons	AC380V/50hz	16KW	≥0.6MPa	11m*8m	9000kg
