

Insulin Syringe Assembly Machine

Advantages

- Precise inspection to ensure product quality
- Equipped with ozone generator to meet pull standard
- Online CCD checking to ensure the quality
- Fiber counting function with alarm
- Automatic assembly and inspection process

Key Components and Brands

Servo System	Pneumatic Component	Vision System
Panasonic	SMC	Keyence
PLC	Touch Panel	Optical Fiber System
Keyence	Kinco	Keyence

Technical Specifications

Production Efficiency	Operator	Rated Volt	Power	Rated Air Pressure	Equipment Size	weight
≥12000-15000 pcs/h	2 persons	AC380V/50hz	16KW	≥0.6MPa	8m*3m	6000kg
